

*Welcome
To our Church*
**YOU ARE HERE
&
WE ARE SO
HAPPY!**

With great delight we welcome family and friends to join with us in a meal immediately following our morning service.

C'mon...we have great food, plenty of conversation and laughter, and (we promise) it is time well-spent!!!!

We do not have children's ministry on Fellowship 5th Sunday so that families can be together in the main sanctuary. This allows the whole church family to be together!

Church Service Etiquette

- Please turn OFF all cell phones and pages before you enter the auditorium. These interfere with the sound and recording for our services.

- Please do not leave or move around during prayer or during any altar ministry. Others may be disturbed during this sensitive time.
